

Your official Nintendo Download news is below. Enjoy:

[Mutant Mudds™](#)

Armed with a heavy-duty water cannon, Max must vanquish his nemeses, the Mutant Mudds, by blasting and hovering his way across the soiled landscape to seek out mysterious Water Sprites. (For Nintendo 3DS™)

[Mario & Sonic at the London 2012 Olympic Games™](#) (demo version)

Join Mario and Sonic in the world's greatest sporting competition. With more than 50 playable events, the Olympic Games have never been so much fun. This demo is now available on Nintendo eShop. (For Nintendo 3DS)

[Newton vs. The Horde](#)

Scientists are being attacked by a horde of vicious monsters. Use physics to squash, skewer and explode those nasty creatures and do whatever you can to help our scientist friends survive. (For Wii™)

[Lola's Alphabet Train](#) (Nintendo eShop / Nintendo DSiWare™)

[Flipper 2: Flush the Goldfish](#) (Nintendo eShop / Nintendo DSiWare)

In addition to video games available at retail stores, Nintendo also offers a variety of content that people can download directly to their systems. Nintendo adds new titles to the Nintendo eShop for the Nintendo 3DS™ system, to the Nintendo DSi™ Shop for the Nintendo DSi system and to the Wii™ Shop Channel for the Wii console at 9 a.m. Pacific time on Thursdays.

The Nintendo eShop is a cash-based service and features games, applications and videos in both 2D and 3D. Users can add money to their virtual wallets using a credit card or by purchasing a Nintendo 3DS Prepaid Card at a retail store and entering the code from the card.

The Wii Shop Channel offers games and applications and uses Wii Points™, which can be purchased via the Wii Shop Channel. The Nintendo DSi Shop offers games and applications and uses Nintendo DSi Points™, which can be purchased in the Nintendo DSi Shop. A Wii Points Card™ and Nintendo DSi Points Card™ can be purchased at retail locations. All points

from one card must be redeemed in either the Wii Shop Channel or the Nintendo DSi Shop, respectively. They are not transferable and cannot be divided between the two systems.

Remember that Wii, Nintendo 3DS and Nintendo DSi feature parental controls that let adults manage some of the content their children can access. For more information about this and other features, visit <http://www.nintendo.com/wii>, <http://www.nintendo.com/3ds> or <http://www.nintendo.com/ds/systems/dsi>
